Busapalli Nandiswar

email:nandiswarb93@gmail.com | +919391126693

career objective

Seeking a Full-stack Developer role to apply expertise in both front-end and back-end technologies, driving innovation and enhancing user experiences through impactful digital solutions.

Educational Details

Qualification	college name	percentage(%)	pass out year
B Tech	kuppam Engineering Collge	79	2023
inter	LRG Naidu jr college	84	2019
ssc	VMV school	93	2017

Projects

- crop and fertiliser recommendation system using ml
- hostel management system using web technologies

Certifications

- java through Hackerrank
- python through dataflair
- career objectice through TCS ION
- java full stack by kodnest

Strength's

- self motivated
- quick learner
- self learner

Hobbies

- code explorer
- listening music

Declaration

I hereby declare that all the information mentioned above is true to the best of my knowledge and belief.

A [restaurant](#) is a public place that sells food and drinks to people. The word "restaurant" comes from the French word restaurer, which means "to restore" or "provide food for". In restaurants, food is usually served at the table by a waiter or waitress. When starting a restaurant business, the business owner must decide on the restaurant's concept, theme, interior design, cuisine, and menu. The menu, theme, interior design, and service style should be in sync. The cuisine chosen can significantly influence the restaurant's success, and can help distinguish the restaurant from competitors and attract the target market

menu

In a restaurant, the menu is a list of food and beverages offered to customers and the prices. A menu may be à la carte – which presents a list of options from which customers choose – or table d'hôte, in which case a pre-established sequence of courses is offered.

non veg menu

- Mutton curry
- Grilled chicken escalope with fresh salsa
- Mutton korma
- Pina colada pork ribs
- Tandoori lamb chops
- Malabar fish biryani
- Keema samosa with yogurt dip

non veg menu

- dosa
- idly
- vada
- poori
- bonda

address

Hindupur , Anantapur(D), AndhraPradesh - 515201

A restaurant is a business establishment where meals and beverages are prepared, served, and consumed by customers. It typically comprises a physical space with dining areas, kitchen facilities, and staffing including chefs, servers, and managers. The menu offers a variety of food and drink options, while the kitchen is equipped to prepare these items. The dining area provides a comfortable atmosphere for patrons to enjoy their meals, and service staff attend to customers' needs, taking orders and delivering food and beverages. Payment methods vary, and adherence to health and safety regulations is crucial. Ultimately, restaurants aim to create a positive dining experience through high-quality food, attentive service, and an inviting ambiance.

menu

In a restaurant, a menu is a list of food and beverage items available for purchase. It serves as a guide for customers to choose from various options offered by the establishment. The menu typically includes categories such as appetizers, soups, salads, main courses, desserts, and beverages. Each item on the menu is accompanied by a description, detailing its ingredients, preparation method, and sometimes dietary information or special features. Additionally, menus may feature seasonal or chef's specials, as well as any promotions or deals offered by the restaurant. The design and layout of the menu can vary widely, ranging from simple printed lists to elaborate presentations with illustrations or photographs. Overall, the menu plays a crucial role in shaping the dining experience and reflects the culinary offerings and identity of the restaurant.

non veg menu

- Mutton curry
- Grilled chicken
- chicken biriyani
- Mutton korma
- Pina colada pork ribs
- Tandoori lamb chops
- fish biryani
- Keema samosa with yogurt dip

non veg menu

we are serving a hot and spicy biriyani with a delicious taste and also pure veg also and we will take bulk orders also for any type of functions

[home](#) [menu](#) [non veg menu](#) [veg menu](#) [address](#) [about](#)

Home

Fine dining restaurants epitomize upscale dining, boasting gourmet cuisine, refined ambiance, and meticulous service, typically necessitating advance reservations. In contrast, casual dining establishments offer a relaxed atmosphere, diverse menus, and moderate prices, catering to families and groups seeking a laid-back dining experience. Fast casual eateries blend convenience with quality, featuring fresh ingredients and customizable options in a stylish yet informal setting. Fast food chains prioritize efficiency and affordability, serving standardized menus for on-the-go patrons. Cafés and bistros provide a cozy ambiance, specializing in coffee, light fare, and pastries, ideal for leisurely gatherings or quick bites between engagements. Each restaurant type offers a distinct dining experience tailored to various preferences and occasions.

menu

A menu serves as a culinary roadmap, presenting a curated selection of food and beverage options for patrons to choose from. It typically includes categories such as appetizers, entrees, desserts, and beverages, with each item accompanied by a description detailing its ingredients and preparation. Menus may also feature seasonal specialties or chef's recommendations to entice diners. They play a crucial role in shaping the dining experience, reflecting the restaurant's culinary identity and accommodating diverse tastes and dietary preferences. Whether showcasing traditional favorites or innovative creations, menus serve as a key tool for restaurants to showcase their culinary offerings and cater to the preferences of their guests.

non veg menu

- fish biryani
- chicken biriyani
- Mutton korma
- Mutton curry
- Grilled chicken

Home

A restaurant is a place where you go to eat food that someone else cooks and serves to you. They usually have a menu listing all the different dishes and drinks they offer, and you can choose what you want to eat from there. Restaurants can vary a lot in terms of the type of food they serve, how fancy they are, and the atmosphere they have. Some restaurants are very fancy with gourmet food and elegant decor, while others are more casual with simpler food and a relaxed vibe. Overall, restaurants are places where people go to enjoy a meal together without having to cook or clean up afterward.

menu

A menu is like a food list you find in a restaurant. It shows you all the dishes and drinks you can order. Each item on the menu has a description telling you what's in it and how it's made. It helps you decide what you want to eat. Restaurants use menus to let customers know what delicious options they have available to enjoy.

non veg menu

- Grilled chicken
- Pina colada pork ribs
- Tandoori lamb chops
- Keema samosa
- fish biryani
- chicken biriyani
- Mutton korma
- Mutton curry

non veg menu

- ghee dosa
- idly
- vada
- podi idly
- poori
- bonda
- pesarettu

Introduction to 5G Technology

[chapter1](#)

[chapter2](#)

[chapter3](#)

[chapter4](#)

[chapter5](#)

Chapter1

Chapter 1: Fundamentals of Wireless Communication Wireless communication is the transmission of data over a distance without the use of wires or cables. This chapter introduces the basics of wireless communication, including the electromagnetic spectrum, radio frequencies, modulation techniques, and antenna design. It discusses key concepts such as amplitude modulation (AM), frequency modulation (FM), and digital modulation techniques used in wireless communication systems.

Chapter2

Chapter 2: Evolution of Mobile Communication Mobile communication has evolved significantly over the years, from the first-generation (1G) analog systems to the fifth-generation (5G) digital networks. This chapter traces the evolution of mobile communication technologies, including the development of 2G, 3G, and 4G networks. It discusses the features and capabilities of each generation, as well as the technological advancements that have driven their evolution.

Chapter3

Chapter 3: Introduction to 5G Technology 5G is the fifth generation of mobile communication technology, promising faster speeds, lower latency, and greater connectivity than its predecessors. This chapter provides an overview of 5G technology, including its key features, such as enhanced mobile broadband (eMBB), ultra-reliable low-latency communication (URLLC), and massive machine-type communication (mMTC). It discusses the technical specifications of 5G networks, including frequency bands, modulation schemes, and network architecture.

Chapter4

Chapter 4: 5G Network Architecture and Components 5G networks are designed to be more flexible, scalable, and efficient than previous generations. This chapter explores the architecture and components of 5G networks, including bas stations, antennas, and core network elements. It discusses the concept of network slicing, which allows operators to create virtualized network instances tailored to specific use cases and applications. Additionally, the chapter examines the role of small cells, beamforming, and MIMO (multiple-input multiple-output) technology in enhancing the performance of 5G networks.

Chapter5

Chapter 5: Applications and Implications of 5G Technology 5G technology has the potential to revolutionize a wide range of industries and applications, from healthcare and transportation to manufacturing and entertainment. This chapter explores the applications and implications of 5G technology in various sectors, including the Internet of Things (IoT), augmented reality (AR), virtual reality (VR), autonomous vehicles, and smart cities. It discusses the opportunities and challenges associated with the deployment of 5G networks, including concerns about privacy, security, and infrastructure development.

Introduction to History

[chapter1](#)
[chapter2](#)
[chapter3](#)
[chapter4](#)
[chapter5](#)

Chapter1

Chapter 1: The Study of History History is the study of the past, encompassing events, people, and societies that have shaped human civilization. This chapter introduces the discipline of history, exploring its methods, sources, and objectives. It discusses key concepts such as causation, continuity, change, and historical interpretation. The chapter also examines the importance of historical thinking skills, including chronological thinking, historical empathy, and historical significance.

Chapter2

Chapter 2: Ancient Civilizations Ancient civilizations were complex societies that emerged in various regions of the world, including Mesopotamia, Egypt, India, China, Greece, and Rome. This chapter explores the origins, development and achievements of ancient civilizations, including their political systems, economies, religions, and cultural achievements. It examines key events such as the rise of city-states, the development of writing systems, the invention of agriculture, and the construction of monumental architecture.

Chapter3

Chapter 3: Medieval Europe Medieval Europe was a period of significant political, social, and cultural change, characterized by feudalism, the rise of Christianity, and the spread of Islam. This chapter explores the political, economic, and religious developments of medieval Europe, including the feudal system, the Crusades, the Black Death, and the Renaissance. It examines the role of medieval institutions such as the church, the monarchy, and the guilds in shaping medieval society.

Chapter4

Chapter 4: The Age of Exploration The Age of Exploration, also known as the Age of Discovery, was a period of European exploration and colonization that began in the late 15th century. This chapter explores the motivations, methods, and consequences of European exploration, including the search for new trade routes, the spread of European culture and religion, and the colonization of the Americas, Africa, and Asia. It examines the impact of exploration on indigenous peoples, the global economy, and the exchange of goods, ideas, and diseases.

Chapter5

Chapter 5: The Industrial Revolution The Industrial Revolution was a period of rapid technological, economic, and social change that began in Britain in the late 18th century and spread to other parts of the world. This chapter explores the causes and consequences of the Industrial Revolution, including the invention of new machines, the growth of factories, the rise of capitalism, and the transformation of urban life. It examines the impact of the Industrial Revolution on labor, society, and the environment, and discusses responses to industrialization such as labor unions, socialism, and environmentalism.

Save the Tiger's

Description :Save the Tigers is a Telugu-language Indian comedy-drama television series about three frustrated husbands who rant about their marital problems, which go viral and lead to a series of strange events. The series has 13 episodes over two seasons, and first aired on April 27, 2023. It is available to stream on Netflix

▼ Season 1

▼ episode1

The first episode of Save the Tigers is titled "Mother's Day" and aired on April 27, 2023. It is about three frustrated husbands who are in the police station for a drunk-and-drive case and share their life stories with the CI

season episode 1 image

▼ episode 2

Episode 2 of season 2 of Save the Tigers is titled "7 Years Itch". In this episode, Rekha, Hymavati, and Madhuri seek counseling from psychologist Spandana about marriage problems. Spandana warns of the "7 Years Itch".

season 1 episode 2 image

▼ episode 3

pisode 3 of season 1 of Save the Tigers is about Harika being moved by Vikram's party, Ganta Ravi-Hymavathi fighting about money, Rahul rejecting script changes, and Vikram valuing Rekha.

season 1 episode 3 image

▼ Season 2

▼ episode 1

Save The Tigers 2 returns with its second season, continuing the escapades of three frustrated husbands, Ghanta Ravi (Priyadarshi), Rahul (Abhinav Gomatam), and Vikram (Krishna Chaitanya), along with their exasperated wives, played by Tejaswini Sharma, Jordar Sujata, and Pavani Gangireddy.

season 2 episode 1 image

▼ episode 2

While the first season has been a hit among the viewers, season 2 doesn't really stand up to the hype. The first two episodes start off in same style as the season one. But as the story unfolds the comedy starts to fizzle out

season 2 episode 2 image

▼ episode 3

Director Arun Kothapally, with creative input from Mahi V Raghav and Pradeep Advaitam, made the series an entertaining and family-friendly viewing experience

season 2 episode 3 image
